

Dear Parents, Carers and children,

Our R.E. theme for Term 2 is 'Why do Christians perform Nativity Plays' and we will be exploring this through reading, speaking and listening, and in various creative ways including drama, music and art.

As part of the wider school work linked to the 'Power of Reading' initiative, we will be focussing on the book 'Handa's Surprise'. We have an area of the classroom dedicated to all the work and activities connected with the story.

Work in phonics, handwriting, creative writing and mathematics will be linked to Christmas themes and our role play area is being made into a super Christmas home complete with 'fireplace', sitting area and kitchen/diner.

In P.E. we will be continuing to develop our ball skills and team work.

As always, learning will take place across the indoor and outdoor classrooms and in the Woodland Area.
