

Sapphire Newsletter - week ending 1st December 2017

Today, we wish you and your families a very happy Advent season in preparation for the celebration of Jesus' birth at Christmas.

Alongside all our learning in Sapphire this week:

In Phonics, the children have moved on to work on 'i' and 'n'. Depending on children's progress and current attainment, work has included reading and writing the letters (graphemes), saying the sounds (phonemes) and 'blending' towards reading progress.

In Mathematics, we have been focussing on our number formation and application of our number knowledge. The children have enjoyed looking at and talking about Advent Calendars.

We have had a super non-uniform/Christmas jumper day today. Thank you very much indeed for your donations towards the PTA Christmas Fayre and indeed all your donations during in recent weeks. Thank you very much for your support.
