

Sapphire Newsletter - week ending 21st September

What another productive week of learning we have had in Sapphire Class!

The children attended Whole School Act of Worship on Monday. This was the first time that they had joined in with all the other pupils from Key Stages 1 and 2. Mrs. Phillips was very pleased with how well the children sat and listened. Many children put their hand up to answer questions linked to the theme of friendship.

The other new experiences for the children this week have been staying for lunch and play afterwards. The catering staff and midday meals supervisors have been most impressed by the children's independence and their good manners when eating their lunch. It has been lovely to see how the children of Sapphire and Pearl classes have played so well together in the outdoor playground. Within class, we have enjoyed books about starting school.

Thank you for continuing to support your child's reading at home by sharing the books sent home every day.

We hope you have a lovely weekend.

The staff of Sapphire Class
