## Funds

We are pleased that some of our raised funds have contributed so far to several things such as:

- ◆ Last years 'Year 6' Leavers Movie Night
- ◆ New tables and seating for the dining hall
- ◆ Teaching Resources and Subscriptions
- ◆ Tools and equipment for our new Forest School. The reviews from the children are all positive, they are really enjoying being outside, climbing trees and exploring the nature around them.

**Amazon Smile** - The PTA have signed up to Amazon Smile, if you download the App and choose our charity **Friends of West Kingsdown CE Primary School** we will receive funds from Amazon each time you order, at no cost to you. If you require more information please ask.
