## Parent Consultations

This week, information about Parents Consultations were sent out via SchoolComms. Due to COVID-19, these will take place via Zoom or

telephone. If you have a Zoom meeting, you will have the opportunity to see your child's books alongside a discussion with their teacher. To book your consultation, please go to [www.schoolinterviews.co.uk](http://www.schoolinterviews.co.uk) and use the code 22evf. If you are not able to access Zoom, please book a time through School Interviews and then let Mrs Massey, in the office, know that you require a telephone call. Zoom links will be sent out via Schoolcomms at the end of next week.

## Art Studio

Year 5 were the first year group to experience our new Artist in Residence and the art studio that has opened in school. Each term a year group will spend a day with Sue to create art that will be displayed across the school. Year 5 have started work on a giant Tudor book that depicts the 6 wives of Henry VIII. In addition to this, Sue will be working with all children on some art work that will show our vision story of Matthew 5: Let your light shine. The children had a fantastic time and the opportunity to spend time together as a small group. We can't wait to see the work start to go up around the school!

## The WK Way

As part of our continuous drive to improve and become the go to school in the local area, we have started to talk to the children about 'The WK Way'. Along with our values of Love, Respect, Trust and Courage we spoke about what makes us stand out as the West Kingsdown community! This might be how we speak to other people, interact with each other try our best academically, spiritually and sportingly. Over the coming weeks, we will talk about this more with the children and build this into part of our vision story about letting our light shine!

## School Gateway

Please don't forget to download and start to use the School Gateway app! Currently only 24.3% of parents have downloaded the app – making it difficult for us to text and e-mail effectively! This app is free to download and use and gives you a range of information about your child. If you need any help with putting it on your device, please speak to Mrs Massey in the school office!

## The Community Cupboard

Please see details below of our donations to The Community Cupboard after our Children in Need own clothes day last week!

The Community Cupboard is 🥰 feeling fantastic.

1 h · 🌐

Today we were delighted to receive over 170 kilos of much needed items from West Kingsdown Primary School !

Thank you to Hilary for dropping off to us, Mr Hulme the headteacher , the teachers, the parents and to all the children who took part and supported the Children In Need event on Friday, which created this huge donation

## Celebration Worship
