

SPORTS PREMIUM 2017 - 2018

Our school's allocation of the Governments' Sports Funding was £13, 791. We spend it in a sustainable and effective way which will improve our long term provision of PE (Physical Education in the curriculum) and school sport (extracurricular sporting opportunities). Half of the money has been funded by the Department of Health and therefore will also be used to improve opportunities for all children to adopt healthy lifestyles.

The school uses funding to:

- Improve the quality and breadth of PE and sport provision.
- Increase participation rates of PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

PE DELIVERY SUPPORT	Sports Coaches are continuing to support PE development. They provide specialist coaches to work 3 afternoons a week in school, working throughout the year groups, from year 1 – year 6. They deliver a range of high quality PE lessons, covering different skills and sports, working alongside class teachers and support staff to help them develop their own skills in a targeted way.
CURRICULUM PLANNING SUPPORT	Superskills (sports coaches), support the school delivering long term and medium term plans. Staff work in collaboration with class teachers to plan and implement these plans and they are able to suggest and adapt plans accordingly to ensure that all pupils are exposed to an extensive up to date PE curriculum.

SCHEME OF WORK DEVELOPMENT	Teaching staff and Superskills staff support the PE Subject Leader in reviewing the effectiveness of the schemes of work in place. Superskills are able to help to plan additional schemes for any newly developed PE activities / sports.
WHOLE SCHOOL INSET	The PE Subject Leader is working in conjunction with the Director of PE and Sport from Sevenoaks school as part of a new and ongoing Outreach programme. School staff are continuing to develop their PE subject knowledge and confidence through Outreach support and training. The Subject Leader will be supporting staff in implementing ideas based on the Government Childhood Obesity Plan, 'Active 30:30' scheme.
PE COORDINATOR MEETINGS	The PE Subject Leader attends the Local Sports Forum and other PE meetings / training to ensure increased participation in the extra-curricular aspects of PE and competitions, including 'Change4Life' and 'Active 30:30'.
Y5 and Y6 Swimming lessons	To ensure that all pupils have access to swimming lessons as per the National Curriculum.

Professional development to train support staff and pupils	£9200
Membership of Swanley District Primary Schools Sports association	£30
Year 5 & 6 Swimming	£1400
Yoga Sessions for all pupils	£800
Staffing of sport related clubs	£1000
Improve resources – range of balls, beanbags, hoops etc.	£1361
TOTAL	£13,791

Evaluation

(1) Improvement in quality and breadth of PE and sport provision

- The quality of the PE lessons has improved with the use of skilled Sports coaches who are able to support school staff; discussing and sharing ideas and good practice.
- Having Outreach support from Sevenoaks School has increased staff confidence in using equipment and implementing new ideas.
- Staff and all pupils were able to participate in a yoga session at the beginning of the school year. This has provided staff with ideas for activities which can be used in isolation or as a part of other PE sessions.
- There have been more sport related clubs taking place this year.
- The PE Subject Leader has had training in a range of sports and activities which has enabled the school to participate in school competitions, e.g. tag rugby and Kwik cricket.
- All pupils are receiving very good sports provision. The subject is effectively being monitored by the subject leader.

(2) Increased activity within the school and in competitive games with other schools

School Clubs:

There have been a variety of clubs run by teachers/coaches during lunch times and after school. These are clubs where pupils are active and engaged in physical activity. The following clubs have been held:

- Football – After school club (external coach).
- Netball – After school: KS2.
- Gardening – After school: KS1 and KS2.
- Mindfulness – Lunchtime: KS1 Yoga sessions (using Cosmic Yoga).
- Mindfulness – Lunchtime: KS2 – including yoga.
- Rock Choir / Dancing – After school: KS2.

NB. Pupil Premium Pupils have been encouraged to attend a range of clubs.

Competitive Games:

KS2 pupils have taken part in:

- Tag rugby – (year 5 & 6) participated in a number of games, held at Horizon Primary Academy.
- Netball match at home versus High Firs.
- Girls Kwik Cricket Competition – (Y4, 5 and 6 girls) at Farningham Cricket Club.
- Pupils are also due to take part in other local competitions.

Pupils participated in the Cancer Research, Race For Life during Health Week and raised £1300.

The school has been awarded Bronze School Games Mark for commitment, engagement and delivery of competitive sport in 2017/2018.

(3) Improvement in the ability and skills of the pupils due to quality teaching and increased provision

Pupils throughout the school have completed questionnaires, asking them if they enjoy PE and what clubs they attend. The questionnaire was also used to find out if and how pupils feel they have benefitted from sessions implemented by the sports coaches.

Pupils in KS2 feel that the coaches demonstrate and explain skills clearly:

Charlie : 'He does good demonstrations and I understand it.'

Freddie : 'It helps you get fit and it's fun.'

Layla : '..they are experts.'

A number of pupils commented on PE being 'fun', which is paramount in helping to give pupils the confidence and skills in PE sessions.

Mason : 'They make P.E. very fun and we get to play fun games.'

Pupils are eager to try new sports and participate fully in activities.

School staff feel more confident in teaching a range of sports/ activities, knowing that there is the expertise of coaches available for support and advice.

(4) 70% of Y6 pupils could swim 25m independently in July 2018. (Total 10 pupils)
