Dear Parents and Carers

Instead of my usual highlights, I wanted to write to you to say thank you for your support in the recent days. Things have changed for us all in such a short space of time! Members of staff have been working very hard to implement things in order for us to provide work both online and for those pupils who can still attend school over the next few weeks.

A separate letter has been sent to those pupils who will be attending, and can I ask that pupils do not arrive unless we have had notification already. I would like to say a huge thank you to staff, as they have been very flexible to allow us to continue to provide care for key workers' children during the Easter holiday period. We really have an amazing team of people here!

I do not know when things will be able to return to some sense of normality, but I will pass on any information as I get it, via email and the school Facebook page.

Please do everything you can to keep your families safe and well, although I understand there will be frustrating times ahead.....

I pray that we can come together as a whole school community later on in the Summer term.

Take care!

Mrs Phillips
